

Financial Controller

EDCi provides infrastructure and call center technology services and solutions to clients throughout Wisconsin and the Midwest. Through our partnership and certifications with leading technology providers including Citrix, Cisco, Genesys, IBM and Microsoft, our customers receive the highest quality of product and service the industry has to offer.

EDCi has an immediate opening for a Controller. The Financial Controller leads and directs EDCi's accounting functions. Establishes and maintains the organization's overall accounting systems, procedures, policies and controls. Directs all analysis and reporting of financial information including budgets, planning, and required filings and reports. Presents findings and recommendations to President, Vice President and/or Senior Leadership Team (SLT). Establishes continuous improvement initiatives to improve internal and/or external customer experience. If you're a talented finance person looking to help lead a cutting-edge growing company and seek a flexible, family-oriented work environment, we want to talk to you!

When you join the EDCi team, you'll receive many perks, including:

- Funded Training
- Bring Your Own PC Policy (BYOD)
- Cell Phone Reimbursement
- Business Casual Attire with Casual Fridays
- Work-Life Balance
- And many more!
